

**Teacher(s):**  
**Course/Subject:** My School

**Month:** September  
**Holidays:**

**Week: 1**

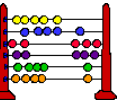

**Key Learning:**

1. Adjust to school and become familiar with daily routine, use of centers.
2. Develop rules for your class.
3. Children will learn the names of their classmates, recognize their own name in print, names of the teachers.

**Unit Essentials:**

Goal of the unit is to allow students to adjust to school. Learn about their surroundings, learn about their classmates and teachers.  
 Start building a sense of community within the classroom

<p><b><u>Daily Concept:</u></b>          Mom and dad will always come back to pick you up</p>	<p><b><u>Daily Concept:</u></b>          Mom and Dad love and think about us all day long</p>	<p><b><u>Daily Concept:</u></b>          Explore the school and meet everybody</p>	<p><b><u>Daily Concept:</u></b>          What do you like about school so far?</p>	<p><b><u>Daily Concept:</u></b>          Who are our friends in the class?</p>
---	---	--	--	--

 <p>Art</p> <p>-Have students draw a picture of the school</p>	 <p>Language</p> <p>-Make rules for class.          -Introduce teachers and students</p>	 <p>Science</p> <p>-Experiment: add raisins to soda water. Watch raisins rise and fall, discuss up, down, in out concepts</p>	 <p>Music</p> <p>-Songs to learn: I love my kindergarten</p>
 <p>Dramatic Play</p> <p>-Add family pictures to classroom</p>	 <p>Math</p> <p>-How many students are in this class?          -How many boys and girls?</p>	 <p>Outdoor Play</p> <p>-Get familiar with playground equipment</p>	 <p>Nutrition &amp; Health</p> <p>-Drink lots of water, especially after outdoor play.</p>
